THE WILDCAT — 1978
TARRANT HIGH SCHOOL
TARRANT, ALABAMA

School opened in the fall of 1977 with the hub of activities centered at the Tarrant Education Center. As renovation was completed, classes were moved to take advantage of the new and enlarged facilities.

Amid the "BACK TO BASICS" theme heralded by parents, teachers, and politicians, the Tarrant Schools began to assess the competency level of its instructional program.

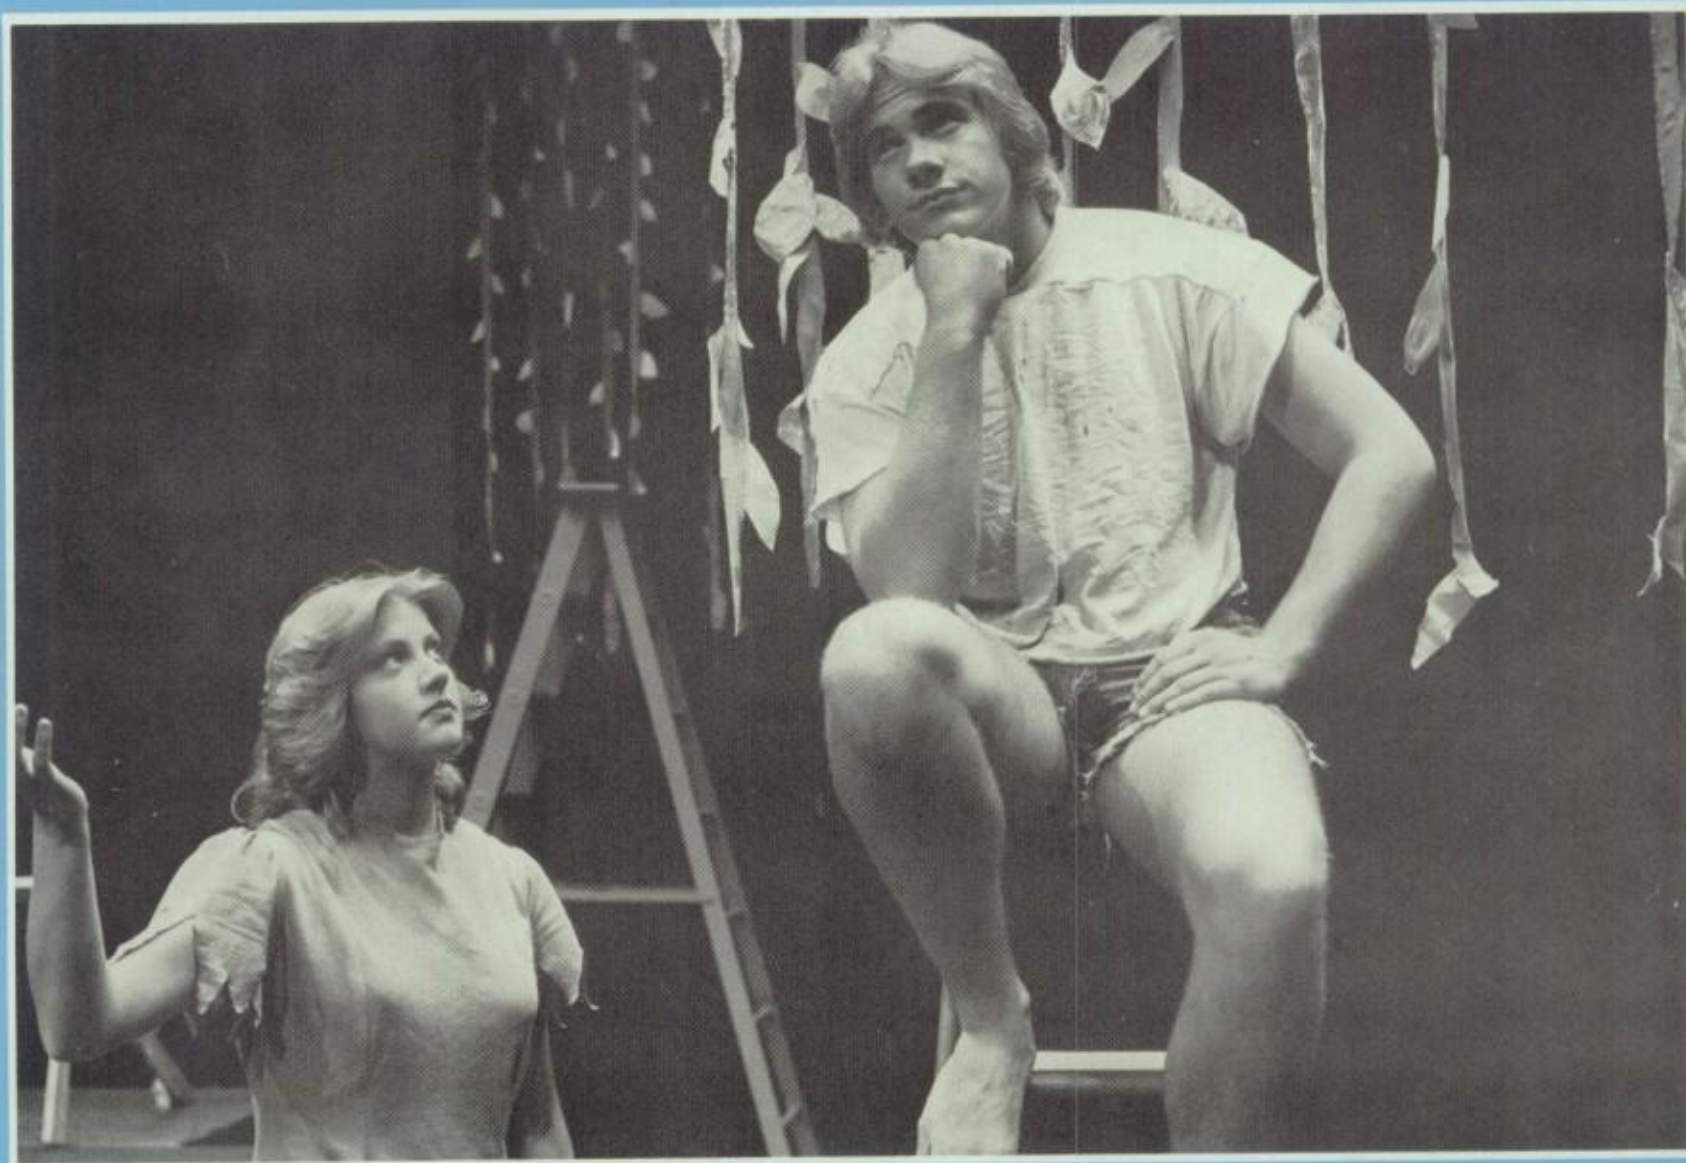

For some, the BASICS included only the three 'R's ('Readin', 'Ritin', and 'Rithmetic').

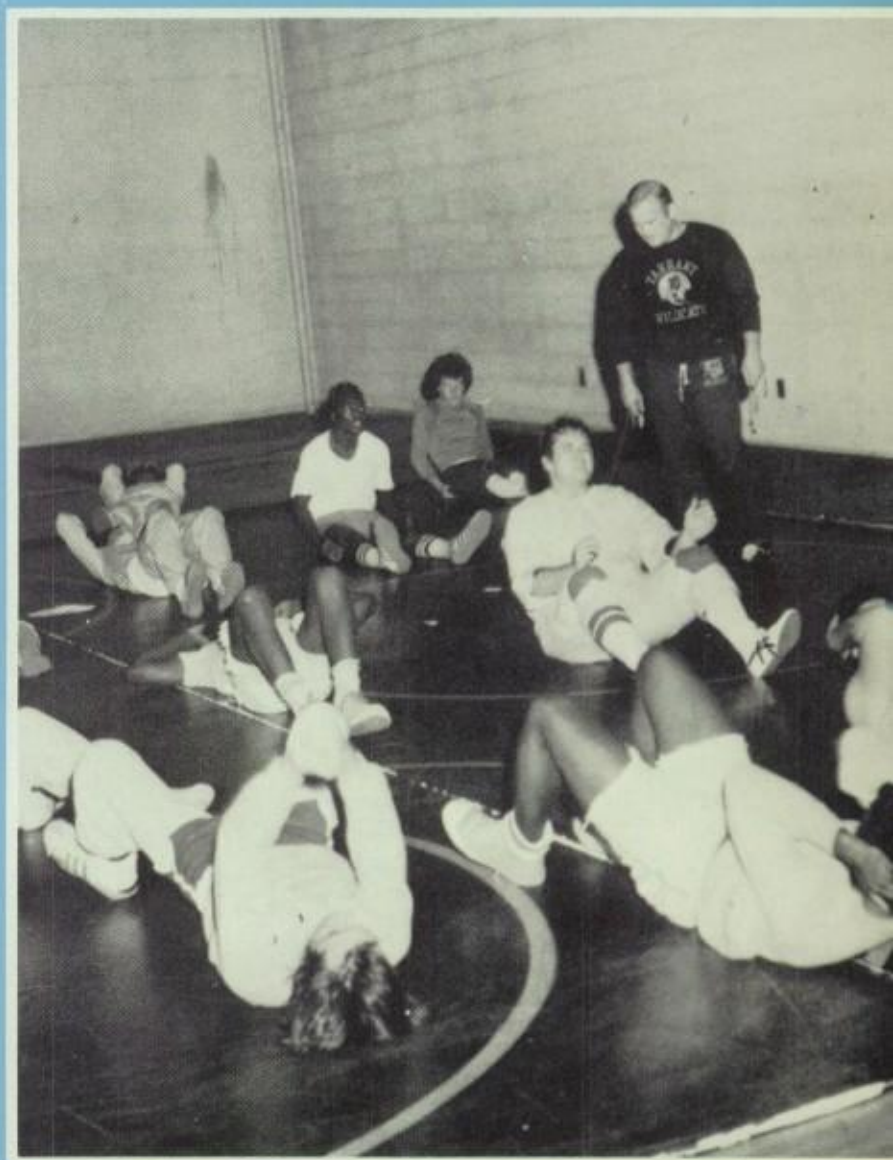

For others, BASICS included a Vocational Program. After all, what is more basic than WORK? BOE, Auto Mechanics and Co-op Education classes were expanded.

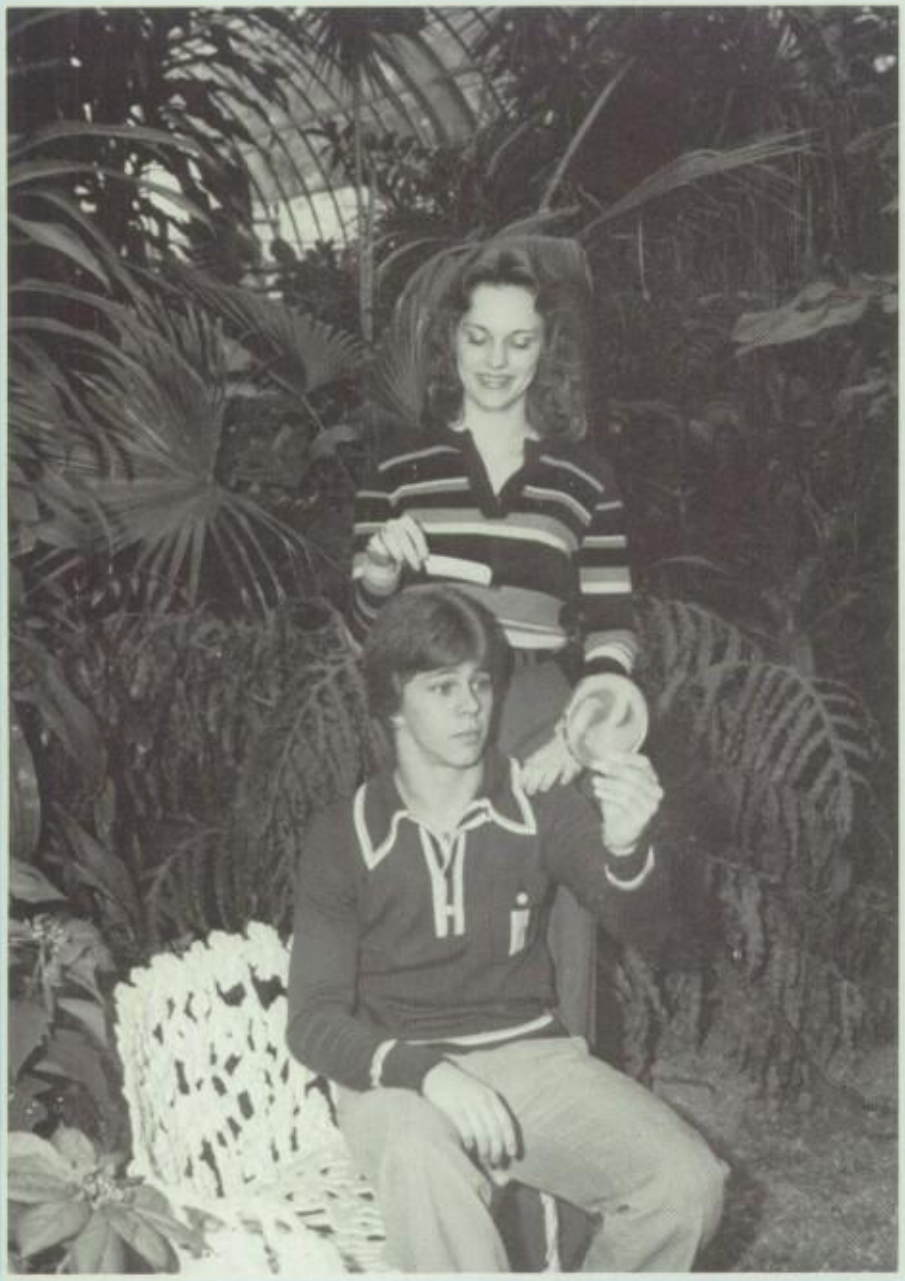

Then, there were those who promoted the idea that BASICS must include enrichment through the arts — art, drama, music, and health, recreation and physical education.

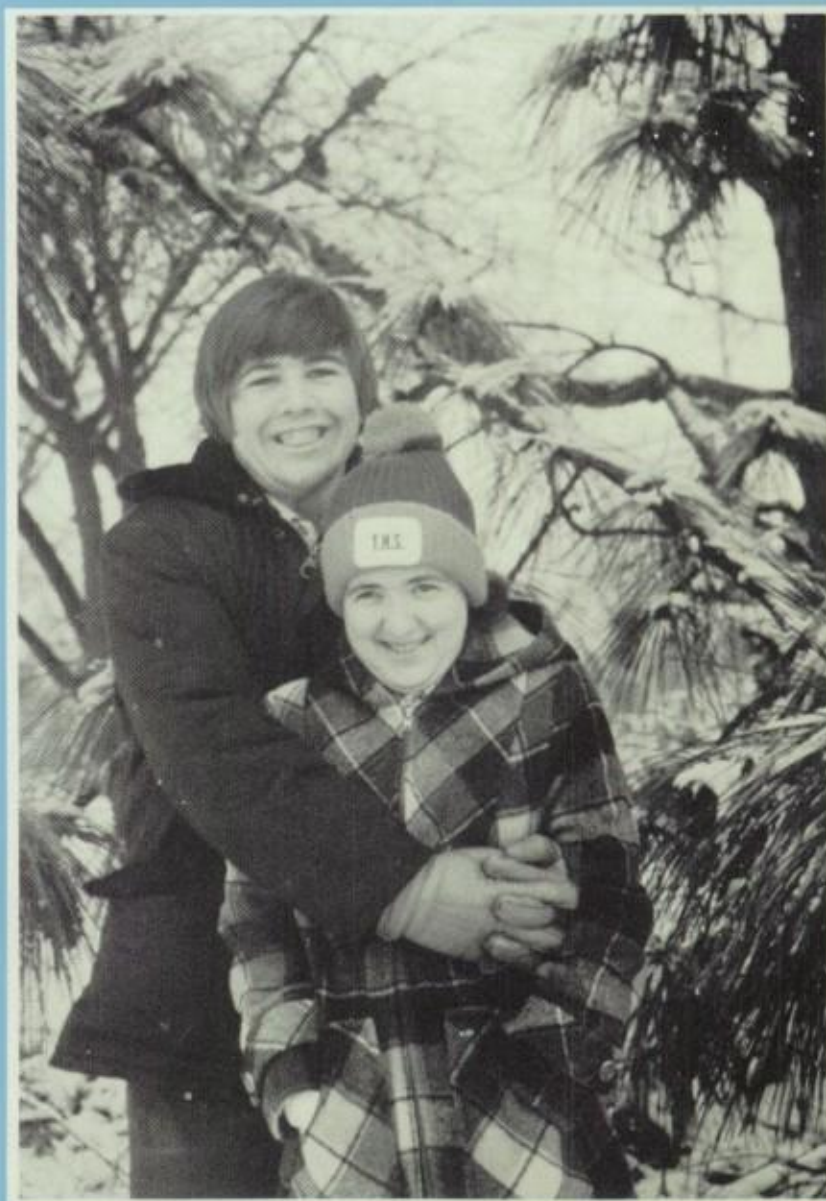

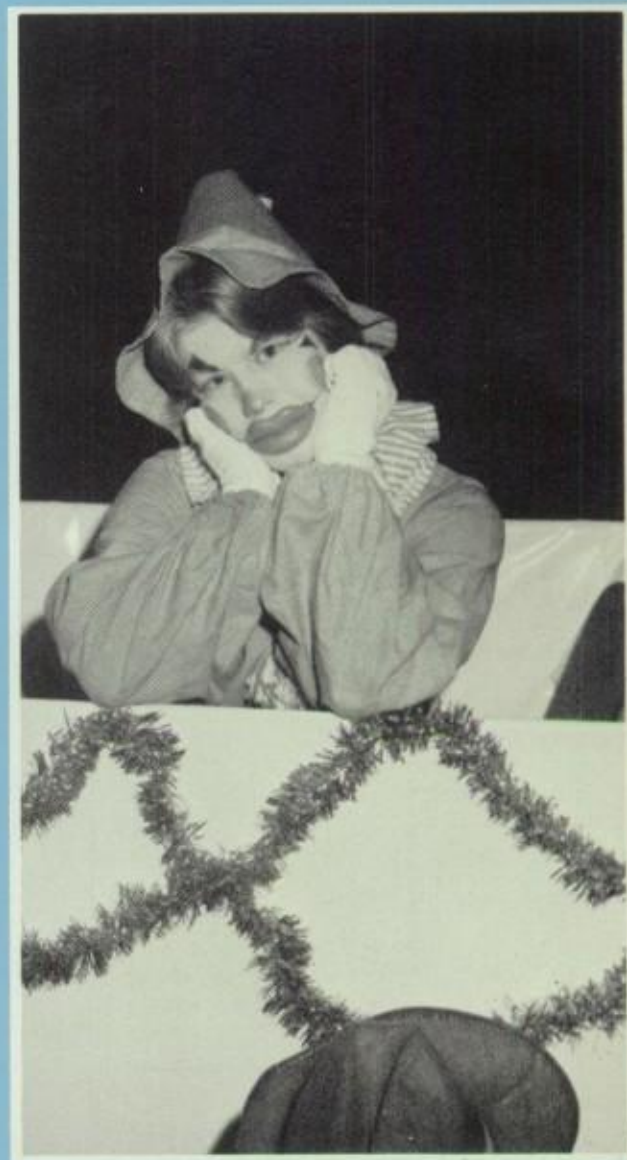

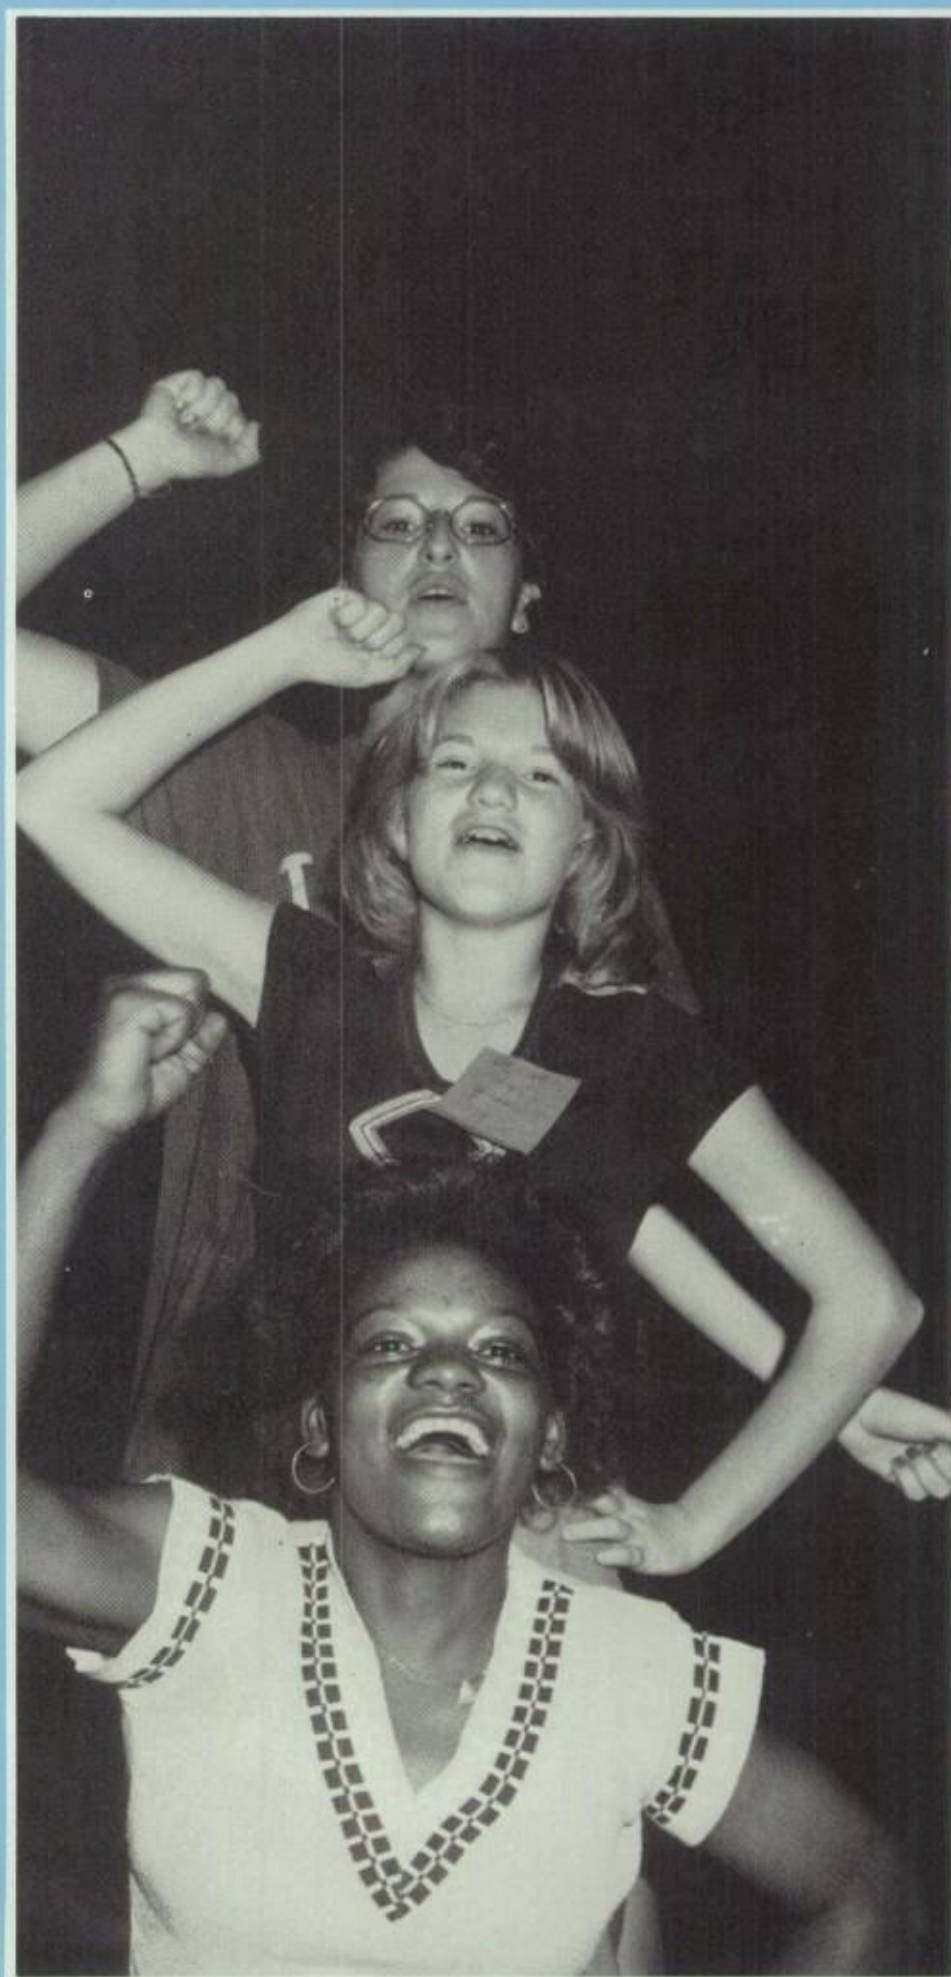

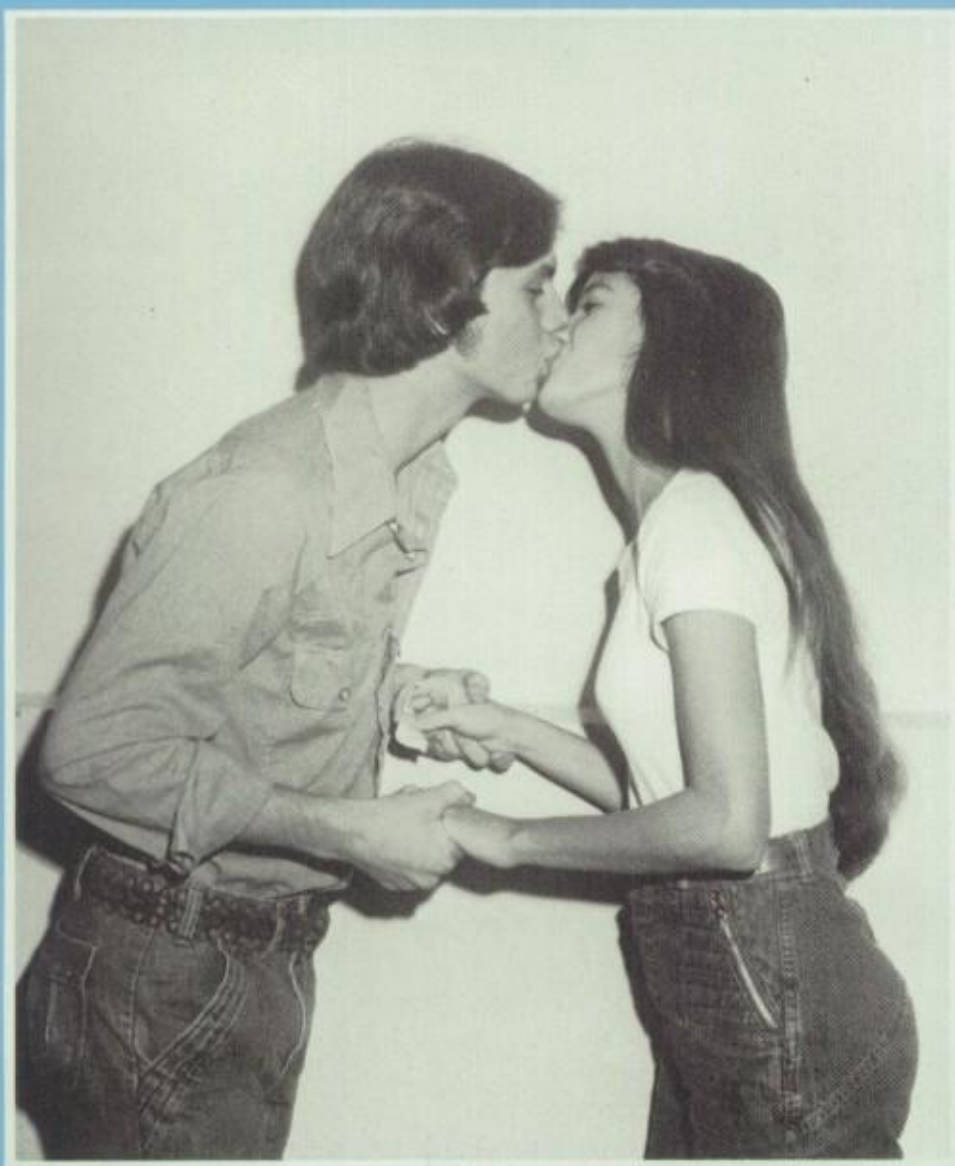

However, students had their own ideas about BASICS. These included good grooming, girls, goofing off,

friendly rivalries, clowning, efforts at record breaking, establishing lasting friendships, being helpful and becoming involved in campus life.

All of these BASICS in the proper proportion help develop BASIC well rounded individuals who are our youth today and our leaders tomorrow who will probably be concerned about the BASICS of their children too.

Dedication

After serving as teacher and assistant principal, Huel D. Evans became principal of Tarrant High School in June 1969. During these past nine years he has devoted to his responsibilities of implementing policies, rules and regulations, providing sound and steady leadership during a period of unrest and change, and promoting harmony among students, parents, faculty and administration. It has not been easy, but he has labored to see that all work together to function as a unit. His thoughtful consideration of others, understanding ear, sense of fairness, friendly and complimentary attitude, integrity, and Christian principles enable him to fulfill his goal of giving the very best to the students of THS.

To say "thank you" in our own small but truly meaningful way to one who has made our four years memorable, because of his dedication, to THS, the Senior Class proudly dedicates the **1978 WILDCAT** to our friend —

HUEL D. EVANS

IN MEMORIAM

Only one life, all too soon
passed . . .

DAVID CORDOR — class of '76

MIKE PARKER — class of '72

BENNY BOWMAN — class of '78

JIMMY PIERSON — class of '77

I cannot think of them as dead
who walk with me no more;

Along the path of life I tread
they have but gone before.

.

And still their silent ministry
within my heart hath place
As when on earth they walked with me
and met me face to face.

Their lives are made forever mine;
what they to me have been

Hath left henceforth its seal and sign
engraven deep within.

.

Frederick Hosmer

CLOW CORPORATION

Let's pretend *you're* in the driver's seat of that car cruising down this road. See the blind curve ahead? Of course not. Neither did many others. Some landed in hospitals; a few were less lucky. You? If you make it past that curve, look out for the old narrow bridge...the falling rock area...and more dangerous curves. Your license fees, your gasoline taxes, are part of the funds

available to upgrade old roads for the safety of today's cars and drivers. But threats are being made to divert this money to other than highway uses. Won't you *do something*...something to keep this road from remaining a killer? Contact your local highway officials. **Remember:** you're in the driver's seat.

Have You Met William Teller Yet?

I'm First National's Brand New 24-Hour Teller. And I'd Like To Do Business With You. I'm ready to give you all kinds of free banking help anytime of the day or night, every day of the year. All you need is a William Teller card and your personal Secret Code. Then at the push of a button, I'll give you cash, take deposits or loan payments, transfer money between accounts—and even give you your checking or passbook savings account balance.
Nobody Makes Friends Easier Or Faster

Than I. As soon as you insert your William Teller card, my protective shield will open for you. Enter your Secret Code so I'll know it's really you. (Only you and I know your Code—and I won't tell anybody if you won't.) Read my simple instruction board, push my buttons and I'll do whatever you tell me to.

If you're getting cash you can get it in any amount that's divisible by \$10 (\$20, \$50, \$90, etc.)—I'm the only 24-hour teller in town who can do that for you.

I'm Here, I'm There, I'm Everywhere. No other 24-hour teller gets around Birmingham like I do: Downtown—Main Office, John Hand Building. North—Gardendale. South—Vestavia, Green Springs, Mountain Brook Office Park, Hoover. East—Center Point, Roebuck, Century Plaza (outside location). West—5 Points West, Bessemer.

Come on by anytime and let's get to know each other a lot better.

Do Business With First National's William Teller.
